DuBOSE SERMON ON CHINA.

(Continued from page 2)

come to the nations; that have so long bullied this nation; in the time of war, when they go to cancel some of their bad debts?

"There is only one thing to save the future of our nation and the civilized powers of the past. That is the Gospel of the love of God. Today in the hour of change the truths of our religion can be given these people as never before, also as never again. Today is the hour of opportunity in China. We have sown to the wind and the guiding light of God's love is the only thing to change the course of public opinion in that great nation, making it a power for good instead of evil.

"In the name of the land of my birth, I call to you, 'come over and help us' today. Stretch out the hand of love across the deep blue Pacific, give the aid to China that she needs today.

Millinery Announcement.

Ice Plant For Tucumcari

Messrs. A. H. Kramer and J. W. Corn of Hobart, Okla., have come to Tucumcari with a view of putting in an Ice Plant. The project is not shaped up yet, but these gentlemen have determined to go ahead with the enterprise. They have financial backing to assure the success of the project, and in all probabilities the work will be on foot for the erection of the plant in a short time. The location has not been selected, nor other details decided. They propose to organize a corporation. Probably no stock will be offered outside of the parties immediately interested in promoting this enterprise.

This is the day of specialism and mine is the eye, and by devoting our entire time to this line we are better prepared to care for and give you best results. We take into consideration the various nerve reflex throughout the body and after one of our examinations we have your condition correctly analyzed, no guess work, no diagnosing your case.

We confine our practice to correcting the errors of refractions and all conditions pertaining to eye strain. We find many cases that have been under treatment for years, without any apparent results, and after the nerve strain was removed the patient's recovery was remarkable.

Our system of operation is an aid to your physician, and the liberal ones recognize this at once

Occulists and opticians correct errors and refractions on the old style lines hence their many failures and disappointments
